

Product Specification Sheet

Global Executive Universal

Part #: TET006EU

Product Description:

An Executive multifunctional case offering the ultimate protection for your notebook, including Targus Air Protection and the new [Dome Protection System](#), the first sidewall impact notebook protection system. The case is designed to accommodate notebook computers with screens up to 15/15.4, with an added compartment for storage of a printer / projector or a second notebook. (Fits most portable printers including the HP450) This case also has plenty of space to hold all of today mobile accessories and power supplies. Constructed from lightweight 840D nylon, and with a top-loading design providing easy access to the notebook section - a must-have feature for those busy airport checkpoints. Packed with extra features including, a hidden water bottle holder, airline / passport holder, removable accessory pouch, cell phone holder and key clip. With its unrivalled protection and all the extra features this is a case for a true Global Executive!
